

## **Project Plan**

### **Rise Against Poverty and Malnutrition: Feeding Program**

**Project Location:** (Pio, Model Community, Porac, Pampanga)

**Duration:** September 27, 2024- January 27, 2025 (Saturdays, 1:00- 4:00 PM)

**Target Beneficiaries:** Malnourished Children, Parents, Poverty within the community.

#### **Rationale/ Background:**

Within our community, several families have been struggling financially and cannot provide a source of food for their family; that includes the children in which it affects their mental and physical health resulting thin and weak immune systems. According to the 2022 global nutrition report, 3.6million filipino children aged 5 and below are underweight, while about 4 million suffer from stunted growth.

#### **Goals/ Objectives:**

We aim to provide such a good healthcare system for children to be more healthy and have a balanced diet, we are also aiming to help families and impart a wider knowledge about malnutrition.

#### **Activities:**

These are the following activities/skills that we would like to teach them:

- Feeding Programs
- Seminar for parents
- Relief Goods
- Interactive physical activities related to Health circumstances
- Monthly free health check-ups
