Implementing Guidelines on NSTP1 Policies on
Attendance, Uniform, and Grading System
1st Semester, SY 2024-2025

A. Attendance

1. **NSTP classes for this semester will be conducted online and face-to-face. Online classes will be on June 29, 2024, and July 20, 2024.** All the rest of the sessions will be held face-to-face except otherwise announced by the NSTP Office through NSTP facilitators. Those who fail to attend the scheduled face-to-face session(s) will be marked absent. Should you foresee the possibility on your part to fail to attend such sessions due to valid reasons, kindly inform your respective facilitators beforehand and present documents that will support your reason for your absence.
2. Checking students' attendance is done twice: First, within 15 minutes of the first hour of the class, and second, within 15 minutes before the class ends within or outside the university.

Students who will come late for the first call/checking will be marked late until the 30th minute of the first hour. A student is allowed two (2) late arrivals whether consecutive or not. On the 3rd late arrival, the student will be marked absent for one whole session, and every time he/she incurs three late arrivals thereafter.
3. Students will be marked absent for the day's session for late arrivals beyond 30 minutes, leaving them with NO merit for attendance, but they will earn scores for their class standing should they decide to nonetheless join the activities.
4. **The allowable number of unexcused absences is three (3) session days whether consecutive or not. A student who incurs more than the allowed number of absences shall be marked "FA", that is, failure due to absences, regardless of his/her class standing.**
5. A student who intends to be absent is required to present an **EXCUSE LETTER** to his/her NSTP facilitator in advance (before the scheduled absence). For unforeseen absences, an excuse letter must be presented immediately after the absence upon the student's return to his/her classes.
6. Accepted excuse letters are as follows:
 - Medical certificate from the family doctor or HAU doctors
 - Excuse letters written by parents, relatives, and/or guardians with attached photocopy of valid identification card for signature verification
 - Letter from the teacher-in-charge duly noted by the **Dean of your School/College** citing reasons for being excused **[Activities that coincide with NSTP classes must be formally endorsed to the OCES/NSTP Office (or they can be emailed to smmarcos@hau.edu.ph) before the actual activity date; otherwise, the excuse letter will not be honored], or**
 - For athletes – letter from coaches, duly noted by OSSA and the Dean of your school/college, citing specific date of competition/training.

NOTE: When considered excused, an equivalent activity should be accomplished in consultation with the NSTP facilitator to compensate for the lost points and contact hours during the absence.

B. Uniform

1. Every session, students are required to wear a HAU-NSTP shirt or a WHITE shirt.
2. **Failure to comply with the required shirt means NO merit for attendance**, but the students will earn scores for their class standing should they join the activities.

C. Grading System

- 30% - Attendance, Physical Involvement, and Visibility
- 40% - Class Standing: Report/Examination, Attitude, and Class Participation (observance of rules, regulations, or policies and positive attitude towards the program and participation in class discussion, exercises, project implementation, group work, and NSTP supplemental activities such as seminars, forums, workshops, and related activities)
- 30% - Project in lieu of the Final Examination (group and individual accomplishment reports, portfolio, journal entries, worksheets, activity reports, and related final requirements)

The above guidelines are intended to facilitate the development/enhancement of students' self-control/discipline as part of their formation into competent Christian professionals.
